

Plaintiff's Employment Attorney

HKM Employment Attorneys LLP (<https://hkm.com>) is a plaintiff's employment law firm that has offices throughout the United States. We have two immediate openings in our Seattle office for attorneys. The attorneys must have an active license to practice law in Washington, though we will consider applicants who live and/or work remotely.

The two positions we are seeking to fill are for pre-litigation attorneys. These attorneys will represent clients in all aspects of pre-litigation, but will not engage in litigation, such as discovery, deposition, summary judgment motions and/or trial.

We fight for the rights of employees in cutting edge employment law cases across the United States and for the rights of consumers in complex multi-state class actions. We seek a dynamic individual who brings an attitude of success to their work, who shares our passion for the important cases that we file, and who enjoys being a lawyer and wants to work with colleagues who are having fun in an upbeat work environment.

We offer a competitive base salary, bonuses, benefits, and opportunities for long-term growth. For consideration, please submit your resume and anything you would like us to review to hkmjobs@yahoo.com. Please put "Seattle Attorney Position" and your last name in the subject line of the email.
